Happy Money by Elizabeth Dunn and Michael Norton

Oneworld £10.99, ebook £7.20

This is an
antidote to the
plethora of
books
promising to
make you £1
million in a
month.

Rather than
telling you
how to make more money the
authors explain how to use
the money that you do have to
make you happiest.

While we don't want to give
all of their secrets away, the
book essentially gives us five
rules to live by – buy
experiences, keep treats as
treats, buy time, spend money
on others and pay now,
receive later.
